With a growing number of cruise-in requests we are offering the option for clubs to share Cruise-in dates. Delta Yacht Club currently offers a maximum of 7 Cruise-in's per year in the peak boating season. Often times we have had two or three smaller cruise in's/clubs join together to enjoy our wonderful island. It is a great option to meet the minimum number of boats required for a cruise-in and meet other boaters in the process.

Would you be interested/willing to join other club(s) to cruise in? Y N
